

Cowboys and Cowgirls, good day to all. Well reminder today is February 1<sup>st</sup> and the new owners have taken over Big Salty.

Last night club presidents, executive board, and key members of the cowboy action shooters got together to discuss some items. The biggest thing was price for all our cowboy shooters. Remember SLPSA will get \$10.00 per shooter, so as clubs had to decide what we needed to charge to cover our requirement of insurance.

All clubs and executive board agreed to keep it as low as possible for shooters and they all agreed on the listed:

- First up was annual membership fees-\$25.00 for single shooter and \$40.00 for family (e.g. Husband, wife, kids, grand kids etc. are all covered in a family membership) this will be paid annually and our cycle agreed on was every April 1<sup>st</sup> will be due (can use that tax refund...lol..) Website <https://www.utahwar.com/mer> will have a pay option in the mercantile so you can conveniently pay on line, if you want to pay by check can send to Utah War c/o Bootstrap 7422 Shay Lane, South Weber Utah, 84405. We ask you use one of these two ways so we may track; as we have requirements now to provide roster of shooters and members (no personal info going out just name, and we have alias so perfect). So, request you do not just throw money in box at a monthly as may not get you listed and marked paid.
- Next was monthly cost all agreed and thought fair was \$11.00 for members and \$16.00 for non-members and of course 17 and under free. Additionally, each club decided to maintain 1<sup>st</sup> shooter is free.

Next was discussion on how to operate, all clubs agreed to maintain for lack of terminology to stay under the umbrella of Utah War and its president Jubal Sacket. Essentially all club presidents will turn in the required monies and shooter roosters to him and he will thus hand over to SLPSA and work with them, so as you can see, we maintained for the most part status quo. The voice for the Cowboys on the SLPSA board is Col. Butch Simons.

Yes, Big Salty has changed but SLPSA and the leadership of the cowboys are determined to keep that Pew-Pew-Pewing with as little disruption to the shooters.

Lastly your practice time and RO status for the range; SLPSA is establishing their own RO course which will be offered annually and to practice on your own must have their RO certification. Now our WASR/Big Salty RO cards are good till 1 April while they develop their class. How to schedule time is being worked right now but we do know that it will be the following:

- RO can pay \$ 5.00 per visit or \$40.00 for a month of visits (no limit) or \$360.00 annually (no limit) Guests of RO will be \$10.00 per visit. They are keeping the tradition of if you want to do range work in lieu of practice fees you can.

SLPSA is working diligently to create a web site for the range and hope to have operational by the 15th. In the interim, their range committee may be reached at [bigsaltyrange@gmail.com](mailto:bigsaltyrange@gmail.com) if you have any questions about what's going on at Big Salty.

We thank you for your continuing support to Big Salty and more importantly the cowboy clubs that call it home! We will continue to try to get all info and news about Big Salty as it comes in quickly as possible, so again thank you for your support!
